

THE PETERBOROUGH KIDS' FEST

8TH & 9TH FEB 2020
EAST OF ENGLAND SHOWGROUND

The
Kids'
Fest

Being INDOORS has
never been so much fun!
WWW.THEKIDSFEST.CO.UK

WE'VE GOT CHRISTMAS WRAPPED UP!

With more than 35 FREE activities, The Peterborough Kids' Fest is an experience children will never forget, more fun than they've ever had indoors, and with dozens of opportunities to try something new, it could also be the start of a lifelong hobby.

And if like us, you're interested in saving the planet, giving experiences rather than objects is the greener choice too. It's a win-win situation.

So if you want to give a unique gift that's good for the environment, buy tickets to The Peterborough Kids' Fest this Christmas!

WELCOME!

Here's everything you need to know to have the very best time at The Peterborough Kids' Fest!

OUR GOAL

We want everyone to have fun, learn something new and do something they've never done before!

SAFETY & SECURITY

Children must be supervised at all times. We take safety very seriously so ALL children will be required to wear a wristband on entry with a clearly displayed mobile phone number to allow the festival organisers to contact parents or guardians quickly should you become separated.

PARKING

It's free and there's plenty of it!

TOILETS

There are lots available on site including disabled toilets and baby changing.

BABY CHANGING/FEEDING

In addition to the baby changing facilities in the toilets, we're delighted to say we have a dedicated baby feeding and changing area located in the main arena next to the Under 5s zone.

FOOD

There is hot and cold food available to buy on site. We will upload the menu to our website a few days before the festival. We have chosen our menu carefully so that there's plenty of healthy and child-appearing foods in smaller portions too. If you wish to bring your own food to the festival, you are more than welcome to do so - there will be plenty of seating for everyone.

WHAT TO BRING

There is messy play in the under 5s zone so you may want to bring a towel and a change of clothes. For older children, there are activities where clothes could get mucky such as cooking or art. We do provide aprons but please be aware clothes could get dirty!

VOLUNTEERING

We are always looking for volunteers to help out at our festivals. So, if you enjoy helping the public, have a few hours to spare or want to add a worthy cause to your CV, then please contact Kim, our Chief Creator of Fun on kim@hotpinkevents.co.uk

If you have any further questions, we have a FAQs section on our website but if the answer's not there, please feel free to drop Kim a line on kim@hotpinkevents.co.uk

We look forward to seeing you at The Peterborough Kids' Fest!

ALL INFORMATION CORRECT AT TIME OF GOING TO PRESS

2 sessions of fun each day!

Saturday 8th Feb 2020

0900-1300 & 1400-1800

WE'RE PROUD TO BE FUNDRAISING FOR THE AMAZON CHILDREN'S WARD OF PETERBOROUGH CITY HOSPITAL

The Amazon Children's Ward in Peterborough City Hospital has 30 beds for children aged 0 - 16 who have a variety of conditions and illnesses. Some are long term conditions that require children to keep returning to the hospital for periods of time. There's a dedicated team of nurses, health care support work, a play team, specialist dieticians and specialist physiotherapists. The medical team is led by an experienced group of Consultant Paediatricians who have diverse skills and expertise.

The ward provides family centre care with a home from home environment and facilities that allow as much normalisation for the children as possible. The staff on the ward tell us that making them smile through an emotional experience is the most rewarding feeling.

At The Peterborough Kids' Fest arts & crafts zone we're going to be creating a huge piece of Amazon themed art which we'll be giving to the hospital to hang in the children's ward.

There's an optional donation of £1 per child for anyone who would like to take part in creating this art work for the children's ward. All proceeds go directly to the Amazon children's ward.

UNDER 5S, BABIES AND TODDLERS

To make sure children of all ages can enjoy the event we try to keep the younger members of the family entertained separately from the bigger kids.

For the energetic little ones there's soft play, bouncy castles, and Didi car ride-ons. For more gentle activities, there's language skills with Sounds Right Phonics and imaginative play with the wonderful Sarah from Hartbeeps Peterborough. For a brilliant sensory activity Kiddi Caru Nursery are hosting messy play - please bring a towel and a change of clothes!

The Under 5s zone is positioned close to the toilets as we know how quickly you sometimes need to dash to the loo with toddlers! Outside of the Under 5s zone there are still activities the little ones can enjoy such as the animal experiences with Hamerton Park Zoo and Wycomb Pastures Mobile Farm. There's also storytelling, face painting and if it all gets too much the quiet tent is a peaceful retreat.

WHAT IS THE KIDS' FEST? WHAT CAN YOU EXPECT?

We are beyond excited to bring The Peterborough Kids' Fest to The East of England Showground in February 2020!

There are so many activities packed into the festival, the hardest thing is deciding what to do first. We've got HUGE inflatable fun with two enormous obstacle courses while the Helter Skelter will take kids to dizzy heights. There's a massive disco where everyone can bust their best moves and our gigantic roller skating rink will keep the kids rolling.

The arts and crafts area will be glittery, sticky and messy as we create a huge piece of art for the Peterborough City Hospital Amazon Children's ward.

If your child loves the spotlight there is plenty of limelight for them to grab with singing lessons, drama workshops and dance galore. Or perhaps our circus workshop will be more up their street with juggling, acrobats and stilt walking on offer?

And if the frenetic activities become all too much, there are plenty of quieter activities too. We have Hamerton Zoo Park bringing some of their exotic animals and Wycomb Pastures Mobile Farm have lots animals to cuddle. There is storytelling and face painting, cooking lessons, mindfulness and there's also quiet tent for when you just need to take five.

Did we mention all of this and more can be found in the warm and dry, INDOOR arena at the East of England Showground?!? The free parking is just outside the door, there is plenty of hot and cold food to choose from and there's even an adult crèche if you want something a bit stronger to drink.

WHERE THE FUN NEVER STOPS!

If there's one thing we strive for at The Peterborough Kids' Fest, it's fun. It isn't just any old fun. Oh no. We're gearing ourselves up for super-extra-massive bonkers fun on our battalion of inflatables!

Ok, so how about spending your weekend sliding down a massive inflatable helter-skelter, then heading off on adventures the world over on our raised pirate ship? If you're brave enough, then you need to try and take on the dragon...our epic inflatable obstacle course.

And if that's not enough, there's the knights and princesses inflatable - a ginormous obstacle course where only the toughest knights and princesses will be victorious!

SEN-SIBLE

Here at The Kids' Fest, what we want more than anything is for ALL children, no matter their age, gender or ability, to have the very best time. For those children who may need a different way or some extra help to enjoy our activities, we're very happy to help.

What this means is that there are disabled toilets throughout the venue. There's also the quiet tent for a peaceful retreat if it all gets a bit overwhelming. As for the activities themselves, we've tried our best to ensure wheelchair users have enough space to get into each activity area. Everyone running our activities knows and understands our inclusive ethos and is happy to make reasonable adjustments to ensure every child can take part in the activities they choose. To us, that's just sen-sible. Enjoy!

SPORTS

Vivacity will be hosting our multi-sports arena which will be jam packed with action. Every hour there is a different sport to try no matter your age or ability, there's something for you. Football, cricket, dodgeball, tag rugby are on offer from the expert team of sports coaches.

If you fancy becoming the next Andy Murray or Johanna Konta, head over to the Tennis court. If dancing is more your thing, there's contemporary dancing with the excellent Megan of Dewey School of Dance. But if you prefer moving to the beat, head to our disco!

Or if you fancy experiencing martial arts Hicks' Karate are giving sessions every hour. There's also the space hopper arena, and the Didi Car track for the under 5s. And of course, don't forget our Roller Skating Rink where you can loop the loop on wheels!

LEARNING IS FUN... AT THE KIDS' FEST!

Here at The Kids' Fest we love learning! We're thrilled to welcome Dr Amy Edgerton, from University College London, who is giving workshops on earthquakes. Everyone can learn how they happen and build their own shake proof building which will be tested on a special shaking table!

If dinosaurs are your thing, meet real-life palaeontologist Jamie Jordan from Fossils Galore. Jamie has completed hundreds of fossil digs; his most famous discovery is an almost complete Iguanodon Skeleton which he named Indie. At The Kids' Fest you can dig for fossils, explore the real life tools Jamie uses when he goes on a dig and learn about how he became a palaeontologist.

For the more artistic among you, you can become photography masters with Caroline Ann Photography who will helping everyone master the art of taking fab photos on mobile phones.
